Give your new workers a great start to their careers with the Level 2 Certificate in Understanding the Safe Handling of Medicines (RQF) & Care Certificate Knowledge.

All is taught, by experienced and qualified trainers with extensive adult social care experience. We use a mix of Zoom conferencing, email and telephone support as well as a wealth of resources and guidance material. All training includes extra learning on how to work within the shadow of Covid-19.

No deposit - both courses funded entirely by Skills for Care's WDF claim value for the L2 Medication course.*

Over 4 days virtual study with us your new recruits can cover both the **Care Certificate (Knowledge) and the Level 2 Certificate in Principles of Medication Handling and Administration for Care Settings (RQF).**

Learners welcome from any organisation claiming WDF funding.

To get your learners enrolled, just send us their details (name, email, telephone) as soon as you can, with their preferred start date. Learners will need to be registered with us the day before training begins.
