FUNDING AND INVOICING

All these courses are funded through the new Learning and Development Support Scheme (LDSS)

This new fund is replacing the Workforce Development Fund that we have been working with for the last decade, and will be paid directly to employers via a new online portal. Please follow the link to register for the onboarding process for the new claims portal: Adult Social Care Development Support Scheme - Private Beta Onboarding.

We will invoice you the same amount as the funding claim value of the course and send you all the information and certificate evidence you need to make a claim when your learner completes. Please note that you will need to give the LDSS funding portal evidence of having paid our invoice in order to claim your funding back.

Click [here](#) to see the full list of courses and qualifications covered in the new LDSS funding

Social Works Ltd use Lloyds Invoice Financing to factor our invoices and when we invoice, they will be in touch to explain how they work.

Please note: We cannot be held liable for any funding or application changes made with respect to the Learning and Development Support Scheme. All information above is correct at time of writing.

Disclaimer: *If a course is cancelled, we will offer the next available date or provide a refund if no alternative is possible. You may substitute a learner if they are unavailable for the course they were booked on.*

**To access the Learning and Development Support Scheme you will need to engage with the ASC Workforce Data Set (previously known as the NMDS-SC) and agree to the Terms and Conditions of the Fund.*

For more information please either email us or have a look on our website.
